prompted by Providence to conceive a child on holy ground. They comply wholeheartedly, having carefree, scorching sex together while deepening their intimacy in unforeseen ways. But then they are summoned overseas to complete the ritual which, upon disclosure of its shocking continuation, they realize reaches far deeper than what they had initially committed to. Somber revelations and mortal danger shall test their resolve to carry through an ordeal that threatens their very lives and faith. Will they carry out their mission and return home unscathed? Find out through the account of their peripetias, imbued with overlooked exoticism, spicy sensuality, irreverent prosody, and ontological shock, as they journey across the Old Continent to uncover the mystery of their origins, rooted beneath shrouds of biblical proportions.

Healing Sex - Staci Haines - 2007-11-28

The first encouraging, sex-positive guide for all women survivors of sexual assault -- heterosexual, bisexual, lesbian, coupled, and single -- who want to reclaim their sex lives. While most books on the topic broach sexuality only to reassure women that it is all right to say "no" to unwanted sex, Healing Sex encourages women to learn how to say "yes" -- to their own desires and on their own terms. This mind-body approach to healing from sexual trauma was created by Staci Haines, who has been educating in the area of sexual abuse, sex education, and somatic healing for over 15 years. Her techniques are ideal for anyone looking for a new way to heal from trauma, beyond traditional talk therapy.
